

More of what Fresh Kitchens need

Tosca Fresh Kitchen RPCs are cleaner and more durable than competitor alternatives. And—as the largest pooler of RPCs in North America—you can trust them to be there every day. So why choose a partner who delivers anything less? *Isn't it time you got more?*

More clean

Noticeably cleaner, more hygienic RPCs meet the toughest food prep standards.

More durability

Stronger and tougher RPCs means you get more protection, more stacking.

More service

Containers when you need them thanks to an impressive network and 85+ years of supply chain experience.

Features and specifications

Damage resistant

plastic reduces shrink over corrugated

Smarter design

for fast handling

Sturdy sides

and interlocking capabilities create stronger stacks

Generously sized

for dynamic packing and non-uniform clamshells
